

Counselor Learning Lab

Mental Health Counseling provided by
Licensed Professional Counselor-Interns and Practicum Students

ELIGIBILITY REQUIREMENTS:

- ❖ No other means to pay for regular counseling services by a fully licensed professional (e.g. no insurance/Medicaid)
- ❖ Low-income individuals as determined by State of Texas Poverty Guidelines (at or below 150% of poverty level)
- ❖ Counseling needs appropriate for level of student or intern

Who?

Providers are either licensed interns or graduate students providing services under supervision and monitoring of an authorized supervisor. Students/interns are not employees of GHT; they are volunteering in an effort to gain supervised counseling experience.

What?

Mental Health Counseling

- Counseling available for clients referred by staff from “participating organizations” at no cost.*
- Counseling available for “self-referred” individuals at low cost.**

When?

Counseling session times are flexible and can be scheduled according to client and counselor availability.

Where?

Guinn Healthcare Technologies
2300 Circle Drive, Suite 2307
Fort Worth, Texas 76119

Why?

The purpose of the Counselor Learning Lab is to assist LPC-interns and practicum students in gaining supervised experience and to make counseling services accessible at a low cost.

**See www.guinntech.com for more information about participating organizations
**Self-referral fee may be waived based on individual circumstances.*
